

Dear member of IOYR

The General Assembly is getting closer. As members of IOYR it is our responsibility to use this opportunity to both look back and to look forward. Have things happened the way we want it? What shall the future bring?

IOYR is also your organisation. You are a part of it and you should also be a part of the decisions.

To help you prepare we have written these questions to give you a base for discussion in your organisation. By doing this, your representative(s) will be much better prepared for the talks about IOYR and its future work that we will have at the IYC and specifically at the General Assembly.

This is meant to help you prepare your representative(s) and we do not require your answers in advance. If your organisation is not participating, you are of course very welcome to send your thoughts to ioyr@ioyr.org.

Many greetings
On behalf of the board

Dorte Rønslér
Chair
