Invitation to the General Assembly 2004

Dear Member.

Hereby the Board of IOYR officially invites you to participate in the General Assembly at the 20. and the 21. July, during the International Youth Congress 2004 in Switzerland.

Together with this letter you get:

- Agenda for the General Assembly 2004
- Form: Members 2004/General Assembly 2004

Soon we will send you:

- Suggestion from the board to a new constitution for IOYR
- Report about IOYR 2001-2004
- Financial overview 2001-2003
- Questionnaire about the future of IOYR

Things for the agenda

Do you have anything you want the General Assembly to talk about? Then let us please know by ioyr@ioyr.org latest at the 20. May.

Representatives

We kindly ask you to tell us who will be your official representative at the General Assembly. Everybody at the General Assembly has the right to speak, but this person will have the right to vote for your organisation and also talk on behalf of you. Please use the form to let us know who your official representative will be.

Election for the board

The General Assembly will also include the election for the board 2004-2007. We have already encouraged you to start thinking about the new board:

- Does your organisation want to be on the Board?
- Do you have somebody in your organisation that can be the representative and take the responsibility to attend meetings and fulfil the tasks given?

Please notice that a member organisation may change its board member during the three year period of office.

There are 2 board-meetings every year. Between the meetings there is task to do and deadlines to keep. Main part of the work and communication is done through e-mail.

Of course it is hard work to be in the board, but it is also fun and experiences. Personally the representatives gain a lot of being involved in an organisation as IOYR and the experiences they get will be of big benefits for your national work.

Personally I will stop at the General Assembly after 9 years in the IOYR board. With so many great years in the back bag I think I can truly say that you should go for election.

Please notice that all representatives standing for election to the Board must be supported by their country's organisation and must be nominated by their organisation at least two months before the date of the General Assembly. That will be the 20. May. Please use the form to let us know if you have a candidate for election.

We will send you the final agenda together with a nomination-list for the board and a list of representatives in the middle of June.

You are very welcome to contact me or some of the other board-members if you want to hear more about the work in IOYR.

We are looking forward hearing from you latest at the 20. May and to seeing you in July in Switzerland.

Greetings from the board of IOYR
