## Invitation to the General Assembly 2004

**Dear Member.**

In April you received the official invitation to participate in the General Assembly at the 20. and the 21. July, during the International Youth Congress 2004 in Switzerland. Today we send you more information:

- Updated suggestion for the agenda for the General Assembly 2004
- Report about IOYR 2001-2004
- Financial report 2001-2003
- Financial status 2004
- List of candidates standing for election
- List of representatives
- Suggestion/comments from members to the constitution - received in 2001-2002

We have already sent you suggestion from the board to a new constitution for IOYR and a questionnaire about the future of IOYR. We have also received comments to the constitution after we sent out the board-suggestion in April 2004. An overview regarding those comments will be available at [www.ioyr.org/ga2004.html](http://www.ioyr.org/ga2004.html) during next week and we will send you an e-mail to let you know.

At [www.ioyr.org/ga2004.html](http://www.ioyr.org/ga2004.html) you can download all files for the General Assembly. I will also be here that you will find updated versions of the files and any new files.

Everything is also sent to the participants at IYC 2004.

We hope to see so many members at IYC and the General Assembly as possible. With this letter you also get a reminder regarding the IYC. So if you haven't already signed up for the IYC you better hurry.

If your organisation isn't participating in the General Assembly you have the right to let somebody else vote on behalf of you. Please let us know if you will use that right and if so, who will vote for you. But you wouldn't miss the IYC and the General Assembly, would you...?!?

Greetings from the board of IOYR

**PS:**

To the IYC-participants we have written: To be able to get even more inspiration and learn even more from each other during the IYC we kindly ask you to bring some stuff about your organisation and your work. There will be a place to hang a poster if you have one, and some tables where we all can put magazines, leaflets, pictures that shows about your work etc. Please let us see what you are doing in your organisation.
